CONDITIONS OF ENROLMENT AND FEES POLICY [Kindergarten to Year 12] to be read as an integral part of the Application for Enrolment

Expectations and Behaviour

- 1 Students are to abide by all College rules. Students are to wear the correct college uniform and do all work set for them, including homework.
- 2 Parents are to actively encourage their children to support the College's goals and to do their utmost to realise those goals in their lives, both within the College and away from it as outlined below.

St Mary & St Mina's Coptic Orthodox College is a school that works in partnership with parents to create an atmosphere where Christian values and Coptic Orthodox tradition are the foundation of the school's practices and where students and staff feel secure and supported by all members of school community.

The distinctive, sincere and continuous practice of Christian love, service and humility provides students with the opportunity to develop and display a high moral standard.

Our Students are challenged to strive to achieve excellence and succeed in all areas of the curriculum by attaining their full potential, having confidence in who they are as Christian individuals and becoming active participants in church and the Australian community.

- 3 Parents understand that the Coptic Orthodox Church is morally conservative, and all students are expected to respect the teachings of the Church and to live by them at all times. For example, disrespect, obscenity, alcohol, tobacco, drugs, dancing, violent or immoral music, dating and pre-

marital physical relations are all strongly rejected. It is the aim of the College to help young people learn to live a life of purity and holiness without fear or shame, and to be living practical witnesses to the truths of the Bible. Morals should not be left behind at the school gates every afternoon!! Parents will support the College in this aim at all times.

- 4 Parents agree to actively encourage and support their children to partake in the spiritual programme set by the College fully and with sincerity. I understand that at present, this includes the following activities:

Morning prayers and hymns each day from the Coptic Orthodox tradition
Classroom prayers and devotions each day from the Coptic Orthodox tradition
School Masses on a regular basis

Community Service Projects

Christian attitudes and behaviour are to be actively encouraged in the classroom and playground.

- 5 Parents are to actively encourage and support their children to partake fully in the Curriculum as set by the College. This includes the curriculum prescribed by the Board of Studies Teaching and Educational Standards BOSTES with the addition of three compulsory courses:
- Arabic Language
 - Coptic Language and Hymns
 - Coptic Orthodox Studies (Religion).
- 6 Parents and guardians are expected to co-operate with the College in matters of discipline, attendance, completion of homework and the wearing of the full school uniform (including blazer Terms 1 to 4).
- 7 Parents understand that the curriculum also includes compulsory activities, excursions, carnivals and other events organised by the College.
- 8 Parents understand that St Mary & St Mina's College has designed its Student Management Policy with the aim of using it to teach our children right from wrong and how to live according to the commandments of God. This includes encouraging and rewarding good behaviour and discouraging and punishing bad behaviour.

- 9 Parents agree to work in partnership with the College and fully support the College's policies relating to student management and discipline, and will at all times encourage their children to obey College rules and accept any punishments that may be given for breaking those rules by any staff member, within the College's Discipline Policy.
- 10 The College reserves the right to discipline, suspend or expel any student whose attitude or behaviour does not meet the expectations of the College.

School attendance

- 11 Students must attend college during specified school hours, except where leave is granted or in case of ill health. The college may require appropriate documentation including medical certificates to support leave.

School Fees

- 12 Fees are fixed at the lowest level possible commensurate with costs of establishing and maintaining good educational standards and facilities.
- 13 Tuition fees are set by the School Board and are variable at the discretion of the Board.
- 14 Fees are charged three times per annum – posted prior to the commencement of each of Terms 1 to 3, and are due and payable within the first 2 weeks of term commencement.
- 15 Fees in advance for all new enrolments should be paid within 3 weeks from date of offer.
- 16 A Service Charge will include costs for camps, school diary, swimming lessons, sporting costs, class resources and IT levies and subscriptions. Fee will also include the recommended contribution to the Building Fund. Although voluntary, the School Board expects the support of parents for the Library and Building Fund.
- 17 Parents are urged to contact the Head of College if it is anticipated that temporary financial difficulty might be experienced.
- 18 To complete enrolment in the school, parents are to pay the Enrolment Fee as listed in the Schedule of Fees and Charges or as indicated in the Letter of Offer.

- 19 A full term's notice is required in writing to the Head of College if a student is to be withdrawn from the College. If such notice is not given then one term's tuition fees will be charged.
- 20 A final statement of fees, following a student's withdrawal, will be sent to those responsible for payment.
- 21 For each full fees paid, a 10% sibling discount is allowed on tuition fees for the 2nd child, 20% for the 3rd child and 30% for the 4th child , after full fees are paid for the 1st child. Only one type of discount is available per child.
- 22 A bond of \$350 per child shall be paid before an offer made by the College. This shall be refunded in full at the completion of schooling provided all outstanding liabilities have been met by the parents and at least one term's notice is given.
- 23 Parents and Guardians must be prepared to abide by the Rules and Regulations that govern the College and be responsible for payment of fees and charges. Continued enrolment is at the sole discretion of the Head of College.
- 24 Failure to pay fees by due date may result in your account being forwarded to an external debt collection agency. Signatory will be liable for all overdue fees and any additional expenses incurred by the debt collection commission, contingent expenses and legal costs incurred by the external debt collection agency for enforcement of obligations and recovery of outstanding fees.

Health and Safety

- 25 Parents acknowledge that they have fully disclosed any special needs (including but not limited to any medical, physical, learning or psychological needs) which the student has. Where any disclosed special needs change or where any special needs arise, parents agree to notify the School immediately. Parents also agree to complete the student's medical form accurately and provide annual updates.
- 26 Parents acknowledge that the School seeks to maintain an environment that is safe for all students and in which learning can take place. Parents also acknowledge that to this end the principal or his/her nominee may search the student's bag, locker, mobile phone or other possessions or electronic devices where there are reasonable grounds to do so. The Head of college may also carry out computer surveillance which includes using software or equipment to monitor use of computers, the sending or receiving of emails, the accessing of websites and the use of social media.

27 If the student is ill or injured, necessitating urgent hospital and/or medical treatment (for example injections, blood transfusions, surgery) and if parents are not readily available to authorise such treatment, Parents authorise the school or a responsible member of the School staff, to give the necessary authority for such treatment.

Personal Belongings

28 Parents/Guardians acknowledge and agree that the student is solely responsible for loss or damage to personal property brought to the school.

29 The college at its discretion may seek to recover from you any damage to the college’s property caused or contributed to by the student. If the damage is covered by insurance we agree to pay the excess.

General

30 The Head of College has the final authority to approve a course of instruction consistent with the objectives of the school: to determine all matters relating to order and discipline, and may be called upon to arbitrate on matters pertaining to a student’s eligibility to enrol.

31 Parents agree to provide the following when filling out the Application for Enrolment Form:

- A copy or extract of the student’s birth certificate (if not Australian, proof of Residential Status must be provided).
- If the student is born on or after the 1st August 1986, a copy of one parent’s “proof of residential status” (e.g. birth certificate, Certificate of Australian Citizenship, current passport) is required.
- A copy of the immunization register/certificate.
