Uniform & Grooming Policy

About this policy

St Mary & St Mina's Coptic Orthodox College's U&G Policy outlines how a child's uniform and grooming is **monitored** within the college and rectified if students do not follow this policy.

Winter

Navy & red panel polo

Navy & red track pants

Navy & red logo sport jacket

SMSM labelled white socks

Only predominantly white sports shoes permitted (Casual shoes, including, Canvas, Vans, Rabens, Tigers, Converse and the like, and Indoor sports shoes and shoes with different fluorescent-coloured labels/material are not permitted)

Yr 11 & 12 students are only permitted to wear their sports uniform on Tuesdays if they represent SWISSA, for swimming and athletics carnivals and if instructed by their teacher.

*****On colder days, any under garments (singlets, vests, long sleeves) should not be visible under the sports polo shirt. The school jumper can be worn with the sports uniform but cannot replace the sports jacket.**

HAIR STYLES, GROOMING AND JEWELLERY

Hair

Girls should wear hair neatly and completely tied back in a ponytail or bun style; **braids, gel, or loose hairstyles are not permitted.** Hair must remain in its natural colour or the student will be sent home until it is reverted back.

Boys must have neat and blended hairstyles. The following is not allowed – undercuts, top knots, mullets, patterns, steps or designs (this includes the use of the excessive product), extremely short or excessively long hair [includes hair past the collar length]. ‘Blade 1’ minimum haircuts are acceptable; otherwise, students may be asked to correct their hair or remain at home until it is rectified. **Boys must have neat hair on the back and sides, and the hair on top must be kept short and tidy at all times. NO faded or tapered styles will be permitted.** Hair colouring for boys is also not permitted or the student will be sent home until it is reverted back.

Grooming

Girls press-on extension nails or acrylic nails, eyelash extensions, make-up, lip gloss and nail polish are **not permitted.**

Boys must always be clean shaven, including the shaving of their moustache region above their lip otherwise they may be sent home to have the issue rectified.

Jewellery

Watches should be plain and simple (**no smartwatches are permitted**, as this is a directive from NESAs, especially during assessment tasks); earrings (permitted for girls only) should be of the small sleeper or stud variety, and only one per ear; no fashion accessories (rings, bracelets or anklets) are to be worn. **One** religious bracelet is permitted only. **One** simple necklace with a crucifix is permitted only.

MOBILE PHONES

We understand that mobile phones are distracting to children, with many parents and students voicing their concerns about the high amount of use after hours, resulting in limited sleep patterns. As an educational institution, we are obliged to assist students in making informed decisions and help them focus on their academic and sporting achievements, with student wellbeing remaining the priority.

In 2023, the NSW government placed a ban on mobile phones in schools, as such, our College does not permit mobile phones during school hours.

All **Primary students** must **switch off** their phones once they enter the school grounds and hand them in at the front office. They will then be available to pick up at 3:00pm.

All **Secondary students** must **switch off** their phones once they enter the school grounds, place them inside their bags or safely in their pockets until they are dismissed at the end of period 6.

Any student in secondary school found to be using a mobile phone, and not have it switched off and placed away safely during school hours, may have it confiscated by the teacher and issued with an Afternoon Detention. In this case, parents will be required to physically pick up their child’s mobile phone from the Executive’s office. It will be up to the Executive Head’s discretion if the phone is returned or kept for an extended time. **Parents need to keep in mind that there are privacy regulations that pertain to the appropriate use of mobile phones. The College and our community must abide by this legislation at all times.**
